## **BAKER POND LOG WORKS JOINS CNW LOG HOMES OF AMERICA INC.**

### **Former Lincoln Log LTD. Dealers Establish New Company to Represent Multiple Manufacturers**

Bend, OR June 3, 2009 – Baker Pond Log Works, former Lincoln Log Ltd. dealer has joined **CNW Log Homes of America Inc.** which is based in Auburn, California. CNW was established by a group of former Lincoln Log Ltd. dealers and will represent multiple manufacturers featuring Log, Timber Frame, Handcrafted, Swedish Cope, Hybrid, Panelized and Stick-built homes.

“Our knowledgeable and experienced CNW dealers are able to provide our clients with outstanding value through a wide selection of product choices from multiple manufacturers”, said **Chuck Clark President of CNW Log Homes of America Inc.**

CNW has partnered with **Big Foot Manufacturing** ([www.bigfootloghomes.com](http://www.bigfootloghomes.com)) located in British Columbia, Canada to offer milled log, handcrafted and timber frame home packages. For more than 20 years Big Foot Manufacturing has sold quality homes in Canada, United States, Europe and Asia. The CNW dealer network will be the exclusive representative for the United States.

Baker Pond Log Works has been in the custom log home business since 1995. To date BPLW has helped over 100 customers with their dream of living in a log home. “Even in the soft building market we have projects underway” said **Chris Wheeler co- owner with husband Cliff of Baker Pond Log Works.**
